 REGAL

OUR PROMISE

Dear Regal Family (and future family),

We love building boats. They are the heart and soul of a dream that began 48 years ago, and we are very proud of the Regal legacy. We are not just boat builders. We are passionate boaters who strive to pursue the ultimate boating experience.

For those who enjoy the entertainment of a 1900ES on the lake or want to cruise some of the world's most beautiful waters on a 53 Sport Coupe, know that we are thinking of you with every boat we build. Our mission is to create an experience that goes far beyond what you can imagine; the kind of experience that embraces a lifetime of cherished memories with your family and friends.

We have always been a family-oriented business and always will be. We care deeply about our team, our dealers, and our Regal owners. For those of you who are already part of our family, we thank you for placing your trust and confidence in us. And for those yet to discover the Regal lifestyle, we invite you to join us on this journey filled with wonder, excitement and fun, where your final destination awaits.

Join us... you'll be glad you did.

Duane Kuck, President & CEO

Tim Kuck, Executive Vice President & COO

FOUNDED IN 1969

With God's help and a steadfast commitment to integrity, we will develop a team of exceptional people and relationships to provide exceptional customer satisfaction.

1969

IT ALL BEGINS

Paul and Carol Kuck, with investors Gene Kandel and Clark Prudhon, open Regal Marine Industries. The first models include a 17-foot tri-hull, 14-foot ski boat and a 21-foot cuddy.

1971

GROWTH

The company expands to a new, larger facility in Orlando, Florida.

1976

THE GLOBAL STANDARD

Regal makes its first overseas shipment to Austria. Global expansion begins.

1988

FIRST YACHT

The Commodore 360 emerges from Regal as the company's very first yacht-class vessel.

2014

53 SPORT COUPE UNVEILED

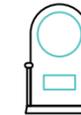

Regal unveils a new flagship, the 53 Sport Coupe, to critical acclaim. Experienced testers give praise to the yacht's combination of technology, luxury and practical amenities, and put it at the head of its class.

2006

MARK OF CONSISTENCY

Regal becomes the first company to receive the J.D. Power and Associates Awards for Highest in Customer Satisfaction with Small Runabouts (16-19 feet) and Express Cruisers (24-33 feet) twice in a row.

1996

PROVEN INNOVATION

Introduced in 1995, the FasTrac Hull Design wins the International Marine Trades Exhibit & Conference (IMTEC) Innovation Award.

1989

STABILITY

Regal commits to being a debt-free company. In 2018 Regal remains debt-free.

2015

SURF SERIES

With an all-new Surf system controlled by the RegalVue display, the ultimate custom wave experience is created.

2016

OUTBOARD VERSATILITY

The OBX series is born. Regal introduces a collection of new models that feature their renowned luxury combined with the versatility of outboard power.

2016

BOAT OF THE YEAR

Boating Magazine awarded the Regal 29 OBX as Boat of the Year and stated, "it exceeds almost every measure by which one might judge a bowrider or day boat."

2017

THE FLY BRIDGE

Regal introduces the all-new 42 Fly, boasting a spacious flybridge, open air atrium, and the most innovative luxury in nearly 50 years of boating excellence.

CRAFTSMANSHIP WITH INTEGRITY

NEARLY 50 YEARS OF PURPOSE-BUILT, LUXURY YACHTS

Greatness is a standard that transcends the test of time. While we at Regal have a legacy of customer-centric engineering, we refuse to rest on our laurels. Our eye is firmly fixed on delivering the illustrious combination of innovative design, luxurious quality, and timeless value to our loyal customers. When you buy a Regal, you know every nook and cranny of your boat has been carefully considered and masterfully executed.

COZINESS. CLASS. COMFORT. COMBINED.

TEMPERATURE CONTROL

When temperatures at sea become less than ideal, keep your passengers comfortable with Regal's up-to-32,000 BTU air conditioning and heat. Combined with a sliding hardtop, tinted windows and full glass enclosure, guests will feel comfortably ensconced in the luxury of the cockpit.

72°

SEAKEEPER STABILIZATION

The optional Seakeeper is designed to provide the utmost comfort on the water. Thanks to its computerized control, fast-spinning flywheel and vacuum technology, the Seakeeper gyro stabilizer eliminates 95% of boat roll.

LIGHTWEIGHT WITH EXTREME STRENGTH

Thanks to the advancements in boat building technology, we are able to craft our yachts lighter, stronger, and with a perfect glass-to-resin ratio, every single time. This results in better fuel economy, higher performance, and a greater peace of mind.

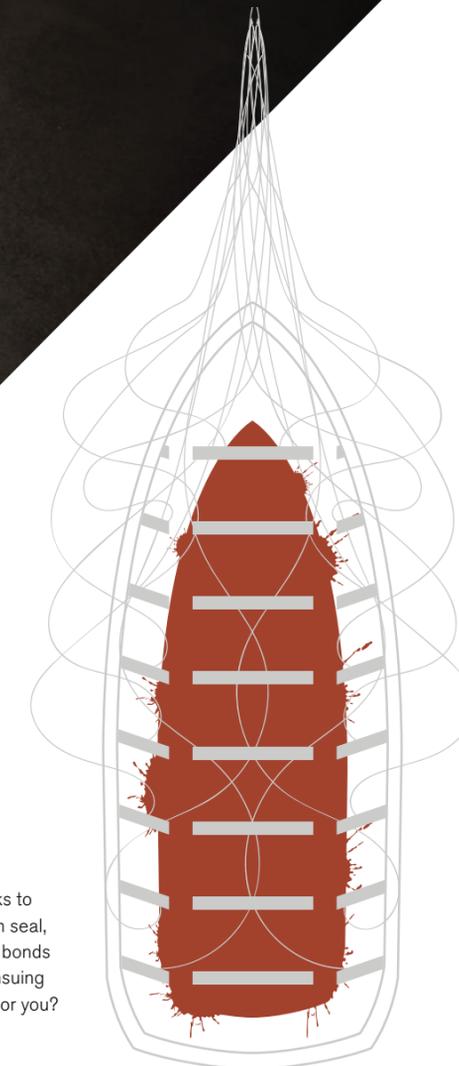

RESIN INFUSION

Regal Sport Yachts' boast of superior strength thanks to our Resin Infusion process. With an air-tight vacuum seal, we infuse resin deep into the fibers. This technique bonds the stringers at the same time as hull lamination, ensuring no secondary bonding. What does all of this mean for you? Superior strength with a superior low weight.

LIGHTER. STRONGER. CLEANER. INFUSION.

LUXURIES DESIGNED FOR YOUR LIFESTYLE.

Enhancing your experience out on the water demands a keen eye for detail above and below deck, and our history is filled with examples of customer-centric engineering. Being onboard means being together, so our exclusive features have been designed expressly for comfort as well as camaraderie.

SINGLE LEVEL COCKPIT SOLE

Keep the party going in the sprawling cockpit layout found on every Regal yacht.
